THIRUVANANTHAPURAM

Dear Future Orthopaedist,

The Department of Orthopaedics, Government Medical College Trivandrum, is proud to announce the Trivandrum Orthopaedic Post graduate Instructional Course (TOPIC) 2026!

This intensive, 3-day training programme has been meticulously designed to be your ultimate pre-examination course and mock examination.

What to Expect:

Systematic Targeting:

Identify and strengthen your weak areas across the entire current exam curriculum.

Knowledge Enhancement:

Boost your understanding of all key orthopaedic topics.

Exam Readiness: Test your exam aptitude and track your progress effectively.

We are honored once again to host esteemed faculty from across the country who will provide invaluable guidance, making this course thorough, educational and highly informative. Make the absolute best use of this crucial learning experience to excel in your examinations!
